SETTING A SHOW IS THIS EASY

KEEP IT SIMPLE

- 1 Call a friend or family member.
- 2 Ask the favor — you're earning free gear.
- 3 Hand us the phone. We do the rest.

Set it now. Every show you book while we're still with you counts toward the Book Now Special — that's the fastest path to the cookware set.

YOUR OPENING

"Hey _____, I need a favor! I can get an air cleaner for free with your help. Instead of explaining it, I've got the person right here with me — here's _____."

WE TAKE IT FROM THERE

"Hey _____, this is _____. Thank you for helping _____ out! They're earning free accessories, and all we do is show you and your spouse our total air system. No obligation to buy, you get a free gift for your time, and I get credit in a contest. Pretty nice, right?"

LOCK IN THE TIME

"I have availability tomorrow or _____ at 10 AM, 2 PM, or 6-7 PM. Which day and time works best for you and _____?"

THE DETAILS

"What's your spouse's name? What's your address? And the best phone number for you?"

CONFIRM & THANK THEM

"Great — we'll see you and _____ on _____ at _____. Thank you again for helping _____ out!"
